OVERVIEW

At **Encompass Experiences**, we don't just offer trips — we open doors to transformative global connections. Dive into our hand-crafted programs designed to ignite your passion for discovery and shatter the boundaries of your world.

Unlock the Ultimate School Immersion & Buddy Experience

Calling all students aged 5-18! Experience the thrill of American and Canadian school life. Forge lifelong friendships with North American peers, master English in real-time, and dive headfirst into exciting classes and school spirit events.

Captivating Language & Cultural Tours

Ages 12 and up: Blend dynamic language workshops with the pulse of the world's most iconic cultural attractions. This is where learning meets unforgettable exploration!

Master Your Craft with Specialized Courses

Dreaming of directing a short film in sunny California? Or building and coding high-tech robots in the historic hub of Cambridge? Our specialized courses take you far beyond the textbook, merging expert instruction with real-world experiences.

Fast-Track Your Global Future: College & University Enrollment

Command your future with elite, personalized guidance to top-tier high schools and universities. Our University Services Package is your "all-access pass," streamlining everything from the application to housing, to ongoing counseling to ensure your success.

SCHOOL IMMERSION AND BUDDY PROGRAMS

Begin a Life-Changing Adventure!

Don't just visit North America — own the experience! Dive into the heart of US and Canadian student life with the Encompass School Immersion and Buddy program. This isn't a standard ESL course; it's your chance to shatter boundaries and ignite your passion for discovery by living exactly like a local peer for weeks or even months.

Master your English and cultural awareness in real-time as you fully participate in exciting classes alongside your new classmates. From the creative energy of Art and Music to the challenges of Mathematics, Science, Language Arts, and Social Science classes, you'll be in the center of it all.

Unlock a No-Fuss Global Future

Ready to start? We've cleared the path for your transformative journey.

Our streamlined application process is designed for students with an ESTA or Tourist/Visitor visa, meaning no complicated transcripts, no formal interviews, and no language test scores are required for admission. Our hand-picked partner schools are ready to welcome you and provide:

- **Ultimate Flexibility:** Start your adventure any Monday during the school year. Study for a little as a week or up to 12 weeks in US schools, or 16 weeks in Canadian schools.
- **The Ultimate American Buddy Experience:** You'll be paired with a local "Buddy" — your instant-access guide to school spirit. They'll share your schedule, introduce you to their friends, and ensure you're an insider from day one.
- **Authentic Living:** Enjoy full-board accommodation in a student residence or with a caring local host family.
- **Student Freedom:** Express yourself without the need for school uniforms at most locations.
- **True Integration:** Forge lifelong friendships through full participation in school clubs, activities, and events.
- **Sports Excellence:** Take your game to the next level by practicing with school sports teams (team coach permission is required).

This life-altering adventure is open to students in Grades 1-12. Explore our school profiles on the following pages to find your perfect match and start your journey today!

LA - FOOTHILLS

Discover Excellence in the Heart of the San Gabriel Foothills

Nestled against the breathtaking backdrop of the San Gabriel Mountains, our School Immersion and Buddy program offers a vibrant, safe, and inspiring sanctuary for students in grades 1-12. The school believes in nurturing every child's potential through an intimate 10:1 student-to-teacher ratio, ensuring personalized attention that sparks a lifelong love for learning.

The curriculum is designed to challenge and inspire. Lower school students dive into traditional learning with an early introduction to STEM, while our upper grades focus on rigorous college and university preparation. The results speak for themselves: an incredible 90 percent of graduates earning admission to Top 50 universities, setting the stage for their future success.

Beyond the classroom, life at school is a whirlwind of energy and exploration. From the logic of computers, coding, and math clubs to the creative expression of visual arts and music, students find their passions and build lasting friendships. The school has a dynamic sports program—including basketball, soccer, flag football, volleyball, and golf—encouraging teamwork and healthy competition, making every day on campus an adventure.

LA - CENTRAL

Nestled near Whittier, this Short Immersion and Buddy school offers a premier high school experience dedicated to fostering student excellence. The extensive campus serves as a vibrant hub for school spirit, featuring a full gymnasium alongside university-grade soccer and football fields that bring the community together.

Students can dive into a competitive sports culture with programs in football, basketball, volleyball, soccer, and cross country. Academically, the school sets a high bar for rigor, providing a robust curriculum that includes 12 Honors courses and 14 Advanced Placement options. This commitment to scholarship translates into impressive results; with graduates regularly securing placements at elite University of California campuses like UC Berkeley and UCLA, as well as Ivy League and prestigious institutions such as Princeton, Cornell, and Georgetown.

Life on campus is further enriched by a diverse array of extracurricular activities and clubs, from the creative arts in music and theatre to intellectual pursuits in the Math Club and English Honor Society.

Ultimately, the school offers a perfect harmony of peace, academic challenge, and community. With its welcoming student body, it serves as the ideal gateway for international students to immerse themselves in the American high school experience of their dreams.

LA - SAN GABRIEL VALLEY

Our LA-East School Immersion and Buddy program offers a secure, nurturing haven for elementary and middle school students to truly flourish. Academics are at the heart of the school's mission, blending rigorous educational standards with character-building moral development.

By maintaining small class sizes, the school ensures every student receives personalized attention and targeted support, laying a solid foundation for their future academic success in high school, university, or wherever their future may lead them.

Beyond the classroom, a vibrant campus life fosters lifelong friendships and personal discovery. Whether students are hitting the court for basketball, flag football, or soccer — with additional options like volleyball, cheer, and softball for girls — or exploring their creative passions through dance, drama, music, and chess, there is something for everyone.

The school takes great pride in fostering an inclusive, welcoming community, making this program the perfect launchpad for international students eager to grow, learn, and explore.

SAN DIEGO SOUTH

Imagine studying just minutes from the serene shores of San Diego Bay. Our School Immersion and Buddy program in San Diego offers more than just a classroom—it's an invitation to experience the heart of American school life and forge friendships that span a lifetime.

As a premier University of California A-G preparatory school, the school has the highest academic standards, serving as a powerful springboard to the US university system. With a spectacular 99% graduation rate and over one million dollars in scholarships awarded to its graduates, the school propels students to the future. The college preparatory curriculum is designed to empower students through core academics, leadership development, and meaningful service learning.

Beyond the books, students' lives are enriched by a vibrant culture of creativity and character. There is a profound emphasis on arts and music education, alongside diverse service opportunities that weave students into the fabric of the local community. On the field and the court, the campus sports program—featuring basketball, volleyball, and soccer—fosters the growth, teamwork, and resilience needed for success.

Join a tight-knit community of learners who support and inspire one another in one of the most breathtaking cities in the United States.

VIRGINIA

Imagine your child thriving in an idyllic, historic community within a school that breathes life into the prestigious International Baccalaureate (IB) curriculum. Here, learning isn't just a seasonal activity; the school's unique Balanced School Calendar ensures that curiosity and growth are nurtured year-round.

The IB program at the school is a transformative journey that blends inquiry-based global learning with personalized academic tracks and a vibrant fine arts program. Students are not simply prepared for university; they are empowered to become compassionate, thoughtful leaders ready to take on the world. The impact of this world-class education is undeniable: IB graduates consistently see higher acceptance rates at Ivy League institutions and prestigious universities globally.

Life on campus is full of energy and opportunity that extends far beyond the classroom. Whether your student is a competitive athlete or a passionate hobbyist, there is a place for them to shine. The athletic program features eleven diverse teams—including volleyball, basketball, soccer, swimming, baseball, and golf—where teamwork and perseverance take center stage.

Beyond the field, students are invited to dive into a rich tapestry of campus clubs. From the strategic depths of Chess and the advocacy of Environmental Stewardship to the creative lens of Film, school clubs offer endless ways for students to challenge themselves, explore new interests, and build lifelong friendships in a truly welcoming environment.

BOSTON SOUTH

Our Newest Short Immersion and Buddy School - Boston South

Encompass Experiences is thrilled to introduce our newest School Immersion and Buddy Program in historic Boston, Massachusetts! Nestled in the charming and secure Hyde Park neighborhood, this remarkable school, among the top private high school in Boston, is known for its global perspective, rigorous academic environment, and warm, inclusive community. The international student body is purposefully capped at just 10% to preserve a rich, diverse experience while maintaining an incredible 7:1 student-to-teacher ratio. Here, every student is truly seen, supported, and valued — leading to extraordinary outcomes, including a 100% university acceptance rate, with graduates attending prestigious institutions like MIT, Yale, Boston University, and Brown University.

Participants in the Immersion and Buddy Program live with welcoming local host families who provide full board and convenient daily transportation, and are also assigned a school Buddy to introduce them to friends and school clubs and sports. . Located a short eight miles from the heart of downtown Boston, the surrounding area offers peaceful, tight-knit neighborhoods affectionately known as "A Small Town in the City." Surrounded by beautiful parks and green spaces, students in grades 7 through 11 will thrive in an environment that seamlessly combines peaceful suburban living, top-tier academics, and a vibrant, friendly school community.

ONTARIO SOUTH

Discover a world of opportunity along the vibrant shores of the Great Lakes, where our Ontario-based School Immersion and Buddy program offers a truly transformative educational journey.

Spanning eight individual high schools, the district invites students into an inclusive community that celebrates diversity and upholds values of respect and kindness for all. Whether you are drawn to the innovation of STEM, the energy of Sports Academies, or the creativity of Music and Dance, you will find a specialized environment tailored to your passions. With a unique vantage point right on the U.S. border and a curriculum consistently ranked among the top three in Ontario, students benefit from a globally-minded education that prepares them for success in university and beyond.

The district offers a strong variety of clubs, events, and sports teams to enhance students' growth. The athletically inclined may want to take part in Basketball, Track, Soccer, or the national pastimes of hockey and curling. Or for those whose interests lead elsewhere, the district offers clubs that focus on Chess, Math, Drama, Music, Model UN and Debate, and much more. With such a wide variety of activities out of the classroom, every interest finds a home and every student finds a friend.

With the Great Lakes and US border within easy reach, this safe and affordable community is a prime destination for our School Immersion programs.

NEW BRUNSWICK

Situated along the scenic Saint John River, our New Brunswick, Canada location seamlessly blends safe, small-town charm with vibrant city energy. Designed for high school students in grades 9–12, our School Immersion and Buddy Program offers an idyllic setting in Canada's welcoming maritime region. Academics are a top priority, with graduates regularly earning scholarship opportunities to top universities across Canada.

With over 45 years of educational excellence, the school provides a warm, close-knit, and inspiring environment where international students make up only 5% of the student body. This low ratio ensures authentic, total English immersion alongside friendly Canadian peers. Each participant is paired with a carefully selected host family—providing full board and daily transportation—and a dedicated Canadian buddy to help forge lifelong friendships.

Set in a thriving university community surrounded by stunning eastern Canadian wilderness, the program serves as the perfect backdrop for outdoor adventure—from crisp autumn trail hikes to exhilarating winter skiing, snowboarding, and ice skating under town lights. Featuring a rich selection of school clubs, competitive sports teams, and an exceptionally welcoming community, your Canadian high school adventure in New Brunswick will be an unforgettable experience.

DUAL DIPLOMA

Unlock Your Global Future: Earn a US High School Diploma without leaving home!

Imagine the competitive advantage of graduating with two high school diplomas simultaneously! Our innovative Dual Diploma program makes this possible. By partnering with your local school and a dedicated faculty advisor, you will engage in dynamic, pre-recorded online courses led by expert US instructors — all while maintaining your local studies.

Starting in Grade 9 or above, you can begin on this journey with a simple one-time program fee. To earn your US diploma, you'll complete 160 hours of specialized curriculum in each of these four core subjects:

- *World History*
- *Economics*
- *Anatomy*
- *English*

Stand out to top-tier US colleges and universities. A dual diploma proves your academic excellence, mastery of complex subjects, and superior time management—qualities that admissions officers value most.

Your Guaranteed Path to the University of California

The dual diploma provides a clear bridge to higher education at a Top 100 school. Students who earn this dual diploma with a 3.4 cumulative GPA are guaranteed acceptance to:

- ***UC Riverside***
- ***UC Merced***
- ***UC Santa Cruz***

Start your journey toward a world-class University of California education today — without ever leaving home!

PRICE

$ 9,375	*one-time fee from the program start until graduation*

**Program details are accurate at the time of publication, and are subject to change without notice.*

TOURS, EXPERIENCES, AND SPORTS

Transcend the Ordinary: Specialized Tour Experiences

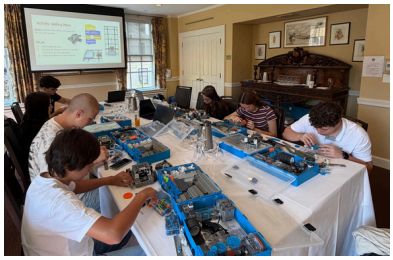
Our tour programs are meticulously crafted to be more than just trips; they are transformative journeys designed to leave the ordinary behind and immerse you in the extraordinary.

Imagine yourself walking the hallowed halls of prestigious Ivy League institutions, where you will dive into the cutting-edge worlds of robotics and coding under the guidance of expert mentors. Or perhaps your path leads to the sun-drenched heart of California, where you will master the art of cinematic storytelling, shooting and producing your own original film in the very cradle of the industry. Test your athletic skills with local American students in our sports programs. Or immerse yourself in language and cultural lessons while experiencing unforgettable sightseeing tours.

Beyond the classroom, the world becomes your campus. Forge lasting global friendships while playing sports alongside American students, or truly live the culture through our school immersion programs. Whether you are exploring the historic charm of the East Coast in Boston or the vibrant innovation of the West Coast in California, our tour programs provide a rich tapestry of cultural learning, ensuring that every destination becomes a milestone in your personal growth.

The Encompass Advantage:

- **Premier Accommodations:** Enjoy safe and comfortable room and board within university residences or with our carefully vetted, welcoming host families.
- **Seamless Logistics:** Comprehensive ground transportation is managed entirely by our team, ensuring you can focus solely on your experience.
- **Enriching Engagement:** Benefit from a curated schedule of fully supervised activities designed for maximum safety and enjoyment.
- **Expert Mentorship:** Learn from a world-class roster of professional educators and coaches dedicated to your success.
- **Exclusive Excursions:** Elevate your journey with optional outings to major league sporting events and world-renowned theme parks.



WINTER SCHOOL EXPERIENCE

Your American Journey Awaits: The Winter School Experience

Imagine stepping into the vibrant heart of Los Angeles, not just as a visitor, but as a local student! Our Winter School Experience offers explorers aged 12-18 the ultimate cultural bridge. From day one, you'll be paired with an American Buddy who will welcome you into the halls of a real US classroom.

This isn't a language camp; it's a full immersion into the American school spirit. You'll dive into fascinating discussions in Language Arts, solve challenges in Mathematics, and explore the wonders of Science and History alongside your American peers. It's a rare chance to see the world through a new lens while sharing the stories and traditions of your own culture.

Beyond the classroom, the magic of Southern California unfolds. On select afternoons, we'll whisk you away to the world's most legendary sights. Feel the electric energy of Hollywood, wander the prestigious sun-drenched grounds of UCLA, and experience the pure glamour and high-end fashion of Beverly Hills. Your weekends are yours to shape—bond with your welcoming host family over a home-cooked meal or seek thrills at California's world-famous amusement parks.

The Complete Experience Includes:

- **1 to 3 Weeks of Living the American Dream:** Full academic and social integration in a US school.
- **Warmth of a Home:** A welcoming homestay with full board, ensuring you feel like family from the moment you arrive.
- **Seamless Travel:** All ground transportation covered for school and program excursions.
- **Curated Adventures:** Daily afternoon activities and optional weekend getaways to iconic landmarks.

***Design your perfect stay!** Whether you want to extend your stay with a longer School Immersion program or combine your studies with our California Vacation Tour, we offer the flexibility to make this winter truly unforgettable.*

PRICE		
Tuition + Homestay	**$ 1,745**	*per week*
Tuition Only	**$ 1,470**	*per week*

BASKETBALL

Improve Your Game where Basketball Began

Basketball isn't just a sport in America — it's a legacy. Born in the USA, the game has become a global phenomenon, and now it's your turn to train where it all began. Our premier basketball program is your chance to live the dream, training alongside local US athletes in an environment that breathes competition and excellence.

Unlock Your Full Potential

Whether you're a key finisher at the post, a sharpshooting wing, or a floor-general guard, our program is engineered to refine your fundamentals and supercharge your athletic development. From the moment you arrive, our coaches conduct a professional evaluation to tailor instruction to your specific needs. You'll be placed in a dynamic group of US peers with similar skills and age, ensuring every drill and every scrimmage pushes you to the next level.

Train Like a Pro

Master the science of the game with daily sessions dedicated to Speed, Quickness, Agility, and Strength. You'll learn the movement techniques, change-of-direction mastery, and explosive landing mechanics used by the stars of the court. Elevate your athletic IQ with footwork drills that transform your catching, passing, and shooting into a seamless art form. Then, put those new weapons to the test in daily drills scrimmages where champions are made.

Program Features:

- Four days of basketball practice with local American students.
- Expert coaching staff
- Homestay and full board
- One-day excursion featuring sports shopping, downtown LA, and the Crypto.com arena and stores.
- Extend the magic! Expand your stay by adding 1–3 weeks of **California Adventure** while keeping the same welcoming host family!

Sample Daily Schedule

SOCCER

Elevate Your Game This Summer in Los Angeles!

Experience 'the beautiful game' like never before! Join our LA Soccer program and compete alongside local US peers at the legendary SoFive athletic facilities. As one of the region's premier destinations, SoFive offers a world-class environment for both recreational and competitive athletes, featuring nine top-tier turf fields designed for high-intensity action. Beyond the pitch, you'll enjoy pro-level amenities including video replay technology to analyze your highlights, a comfortable viewing lounge, and an on-site café for the ultimate soccer lifestyle.

Master the Fundamentals with Elite Coaching

The expert coaching staff is dedicated to your growth, blending deep technical knowledge with a player-centered philosophy to create an inspiring and challenging atmosphere. Designed for young athletes aged 12–16 of all skill levels, the camp maintains a low coach-to-camper ratio. This means you get the personalized feedback and quality repetitions needed to sharpen your game and build unstoppable confidence.

Get ready for a high-energy week where every day brings a new focus! Dive deep into core fundamentals — dribbling, turning, passing, receiving, and shooting — ensuring you walk away with a complete skill set and a smarter approach to decision-making on the field.

Program Features:

- Open to student aged 12-16
- Five days of soccer practice with local American students.
- Expert coaching staff
- Homestay and full board
- Extend the magic! Expand your stay by adding 1–3 weeks of **California Adventure** while keeping the same welcoming host family!

Take your skills to the next level this summer while forging lifelong friendships with American players. Are you ready to take the pitch?

Sample Daily Schedule

8:45 AM	Player arrival and check-in
9:00 AM	Morning technical session (footwork, passing and receiving)
10:30 AM	Snack break and hydratation
10:45 AM	Full-pressure tactical activities and position drills
12:00 PM	Lunch break and team social time
1:00 PM	Small-sided games and targeted challenges
2:00 PM	Afternoon Tournament / Scrimmages / Match Play
2:45 PM	Daily wrap-up, awards and departure

VOLLEYBALL

Unleash Your Potential This Summer in Los Angeles!

Get ready for an unforgettable experience at our premier 2027 Volleyball Camp! Set against the vibrant backdrop of Los Angeles, this is more than just a training program — it's a chance to ignite your passion for the game. Whether you are just starting out or looking to master advanced techniques, our camp is the ultimate summer destination for girls ages 12–18 to elevate their play.

This program builds more than just athletes; it builds community and confidence. You'll dive into high-energy drills and high-quality instruction designed to sharpen your foundational skills and technical precision. But the real magic happens between the sets — you'll forge lasting friendships with local US players, sharing the court with a community of peers who are just as driven and excited as you are.

Expect a summer filled with growth, laughter, and the thrill of competition. From fine-tuning your fundamentals to competing in friendly, high-stakes matches, every moment is focused on helping you become a well-rounded, confident athlete. No matter your current level, come join us in this supportive and energetic environment to make Summer 2027 your most powerful season yet!

Program Features:

- Five days of volleyball practice with local American students.
- Expert coaching staff
- Homestay and full board
- Extend the magic! Expand your stay by adding 1–3 weeks of **California Adventure** while keeping the same welcoming host family!

Sample Daily Schedule

8:15 AM	Camper check-in, roll call and warm-up
9:00 AM	Morning training sessions (fundamentals, footwork and core skill drills)
11:30 AM	Lunch and rest break
12:30 PM	Afternoon training session (position-specific work, tactical team drills and competitive play)
3:00 PM	Team scrimmages, wrap-up and camper departure

PRICE

Tuition + Homestay	**$ 2,090**	*per week*
Tuition Only	**$ 1,550**	*per week*

**Program details are accurate at the time of publication, and are subject to change without notice.*

TENNIS

Are you ready to ignite your game this summer?

Elevate your tennis skills to top levels at one of California's premier tournament training camps! This experience is tailor-made for competitive spirits and high school players who are hungry for progress. To thrive here, you should already possess a reliable serve, the stamina to dominate long rallies, and the confidence to crush medium-paced shots with consistency.

Bring these foundational skills and prepare for a total transformation! The immersive day camp focuses on razor-sharp stroke production and winning match-play tactics, ensuring you're battle-ready for your next tournament or high school season. Best of all, you'll be grinding alongside passionate local US players who share your drive for excellence, creating an electric atmosphere of mutual growth.

The excitement doesn't end on the court! Your journey culminates in a tour of Los Angeles, where you'll dive into the heart of downtown, hit the best sports shopping spots, and explore the iconic Crypto.com arena and its vibrant surroundings.

Don't just play tennis this summer — propel your game into the top tier!

Program Features:

- Four days of tennis practice with local American students.
- Expert coaching staff
- Homestay and full board
- One-day excursion featuring sports shopping, downtown LA, and the Crypto.com arena and stores.
- Extend the magic! Expand your stay by adding 1–3 weeks of **California Adventure** while keeping the same welcoming host family!

3:00 PM	Supervised hitting and match play
4:00 PM	Extended Day Campers Leave

PRICE

Tuition + Homestay	**$ 2,750**	*per week*
Tuition Only	**$ 2,215**	*per week*

**Program details are accurate at the time of publication, and are subject to change without notice.*

FAMILY PROGRAMS

Imagine your family in the heart of Los Angeles for a premier school immersion experience that will change your lives! This July, dive into an extraordinary journey that blends a premier school immersion for students in grades 1-8 with language and culture classes for adults.

Our Family Program is more than a vacation; it's an educational odyssey designed to forge international friendships that span the globe. While students connect with American peers through academics and thrilling recreational activities, parents can sharpen their English edge or indulge in LA's legendary museum circuit, high-end shopping, and iconic landmarks.

Students don't just study; they thrive in a vibrant ecosystem of learning and play. Mornings are dedicated to mastering Language Arts, Mathematics, and Science, while afternoons feature creativity and innovation in subjects such as Dance, STEM, Art, and Music.

We've designed this program with ultimate parental freedom in mind. Spend your mornings in our Encompass ESL classes and keep your afternoons wide open for retail therapy, coastal relaxation, or urban exploration. Prefer not to study? The choice is yours! Our bespoke package options ensure students have an unforgettable adventure while parents savor a dream vacation in one of the most vibrant cities on Earth.

Join us for iconic weekend excursions or set off on your own path.

Get ready to capture memories that will stay with your family forever!

Program Features:

- Comprehensive full-day immersion for students (Grades 1-8) with local American students in a summer program host by a US school.
- 15 hours per week of Encompass language and cultural mastery for adults
- Assistance securing hotel accommodations or Airbnbs
- Optional weekend adventures across Southern California

PLACEMENT PROGRAMS

Dreaming of studying in the USA or Canada?

Navigating the complex application process can feel overwhelming, but it doesn't have to be. Let Encompass Experiences be your dedicated guide to a stress-free application.

From personalized school selection and expert coaching to demystifying health insurance and housing—we provide comprehensive, end-to-end support. We handle the complex details so you can focus entirely on your academic aspirations.

Our extensive network opens doors for students of all ages, from elementary school through graduate programs. Beyond simple placement, our expert counseling staff works tirelessly to ensure you never miss an opportunity due to a missing form or deadline. We help you craft compelling essays, prepare your documents, and manage submissions on your behalf, ensuring a completely stress-free application process.

OUR NETWORK

Middle and High Schools: Experience life as a local student in the US or Canada. Whether you stay for a single semester or through graduation, you can choose between the warm, cultural immersion of a homestay or the independence and global friendships of a residence hall.

Community Colleges: Unlock your potential with high acceptance rates, smaller class sizes, and significantly lower tuition costs. This is the ideal gateway into higher education, including versatile one-year career-boosting certificates. Or graduate and then transfer to a state university to finish your degree.

Universities: Build deep roots and lasting professional networks. By completing your undergraduate or graduate studies at one institution, you benefit from a dedicated faculty who support you through your entire academic course of study.

With placement opportunities from coast to coast, we are dedicated to helping you secure the program that perfectly aligns with your goals and ambitions.

PLACEMENT SERVICES

Standard Service: Your Confident Path to Admission

Our Standard Service is designed to give you peace of mind, ensuring your application is not just complete, but polished to perfection. Our expert team works closely with you and the admissions office, meticulously reviewing every detail of your documentation. From consultation to submission, we handle the details so you can focus on the exciting prospect of your future. Once accepted, you'll have a clear roadmap for arranging your housing, finalizing your academic plan, and managing your arrival details with ease.

University Services Package (USP): The Premier Experience

Looking for more than just an acceptance letter? Our University Services Package (USP) is your dedicated partner throughout your entire academic journey — not just the application process. We are with you every step of the way, advocating for your success with schools to ensure you're registered for your ideal classes and fully prepared with all necessary documentation.

Our support is truly unlimited from the moment you apply until you're settled on campus. **Once you arrive, Encompass is your ongoing connection to success, providing:**

- **Monthly Academic Success Check-ins:** We track your progress and ensure you are adapting well to academic, social, and cultural life.
- **Comprehensive Campus & Community Integration:** We connect you with the resources you need to thrive.
- **Total Peace of Mind:** We manage tuition and mandatory fee payments on your behalf, so you never miss a deadline.
- **A "Home Away From Home":** Enjoy a single-room homestay with a welcoming American family, complete with daily breakfast and dinner.
- **Seamless Arrival:** Our airport meet-and-greet service ensures your journey starts smoothly.

Let Encompass handle the logistics and details — you focus on enjoying your campus experience and unleashing your full potential.

SCHOOLS AND PROGRAMS

Choosing the right school is a major milestone — and you don't have to do it alone. Our admissions experts connect you with the perfect fit from our premier network of institutions across the U.S. and Canada. The school list below is only a sample of hundreds of institutions we work with. Are you ready to find your ideal match? Complete our Inquiry Form to start your personalized journey toward your future.

MIDDLE SCHOOLS AND HIGH SCHOOLS:

Knox School, New York: As Long Island's oldest co-educational boarding and day school, Knox serves grades 6-12 with a robust liberal arts program. It prioritizes academic excellence alongside student well-being to foster a well-rounded educational experience.

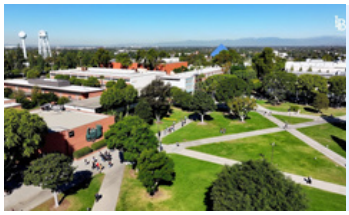
Sooke School District, British Columbia: Set on beautiful Vancouver Island, this district offers a premier educational experience across its seven middle and secondary schools. It is celebrated for its inclusive, high-quality environment that welcomes students from across the globe.

COMMUNITY COLLEGES:

Santa Monica College, California: California's top transfer institution to the University of California system, SMC offers a vibrant community with specialized programs in Business, Computer Science, Engineering, and Film Production. It is an ideal hub for students seeking academic success in a supportive setting.

Valencia College, Florida: Situated in Orlando, Valencia College delivers career-driven Associate and Bachelor's degrees. Known for its practical curriculum, it serves as a powerful springboard for students aiming to transition into prestigious four-year universities.

UNIVERSITIES:



California State University - Long Beach: CSULB is a powerhouse of academic excellence, offering diverse degrees in high-demand fields like Engineering and International Affairs. The campus provides dedicated resources to ensure both local and international students thrive in their professional pursuits.

University of Windsor, Ontario: With over 190 programs and a unique location on the U.S./Canada border, Windsor offers unparalleled cross-border career access. It is particularly distinguished for its hands-on learning opportunities and elite course-based master's programs.

GET READY!

Picture this: You're stepping off the plane and into a world of new sights, sounds, and experiences. Feel the thrill of exploring famous landmarks, tasting delicious and different foods, and connecting with people from every corner of the globe.

Our programs are your passport to incredible personal growth, helping you see the world – **and yourself** – in a brand new light. Embark on this life-changing journey with an open heart and a curious mind.

Get Ready for the Adventure of a Lifetime!

What to Pack for Your American Adventure?

While the US has everything you might need, bringing a few essentials will help you settle in smoothly:

- ☑ Spending money (around $200 per week) on a card or in cash.
- ☑ Adapters for your electronics.
- ☑ An umbrella for unexpected rain.
- ☑ Your laptop or tablet for staying connected. (strongly recommended for STEM program)
- ☑ Basic stationery like pens and notebooks.
- ☑ A swimsuit for pool or beach days.
- ☑ Any personal medications you require.
- ☑ Your cell phone - US SIM or e-SIM recommended.
- ☑ A small, comfortable backpack for daily excursions.
- ☑ Your preferred toiletries to feel at home.
- ☑ Comfortable walking shoes – you'll be doing a lot of exploring!

Pack your bags, embrace the unknown, and prepare to create memories that will last forever.

The world is waiting to be explored, and the adventure begins now!
