CANADA

Placement to Canadian Schools

Encompass Experiences now offers high school and university placement across Canada!

Canada has long been celebrated for its enthusiastic welcome of international students, providing an attractive destination for those who value affordability, a clear-cut visa application process, and the opportunity to work while studying.

With Canada's world-renowned educational institutions, combined with a safe, vibrantly multicultural society that offers amazing opportunities to work both during and after your studies, there's never been a better time to choose Canada for your high school and university education!

We work with schools in the most popular locations for students, including:

British Columbia boasts world-class universities, including the prestigious University of British Columbia and the innovative British Columbia Institute of Technology. Beyond academics, the province is a haven for adventure, renowned for its exhilarating outdoor activities and mild, inviting climate. The Vancouver School Board eagerly welcomes and supports high school students, setting them on a path to success in this vibrant province.

Ontario, home to the vibrant and cosmopolitan city of Toronto, is a hub of academic excellence, featuring globally recognized institutions like the University of Waterloo and the University of Windsor. Nestled on the shores of Lake Ontario and just a short drive from the breathtaking Niagara Falls, Toronto also thrives with robust Canada-US trade, creating a dynamic landscape brimming with employment opportunities. The Toronto District School Board strongly supports international high school students, actively paving their way to their university career.

Quebec, including the lively city of Montreal, is a captivating cultural haven boasting charming towns and an undeniable European flair. Home to prestigious institutions like McGill University and the Montreal College of Information Technology, it offers world-class education in one of Canada's most budget friendly provinces. International students are warmly welcomed by the English Montreal School Board, alongside exceptional private schools across the region.
